

ISTRUZIONI DI MONTAGGIO

Prima di intervenire sull'apparecchio, accertarsi che l'interruttore principale sia disinserito.

Per effettuare il collegamento elettrico e il montaggio dell'apparecchio si deve operare come segue:

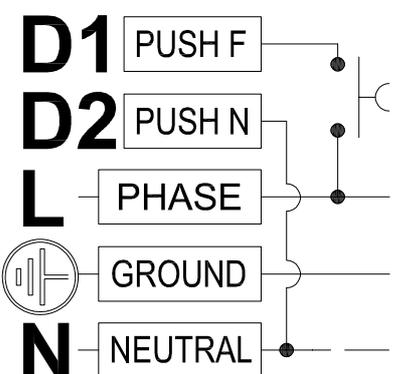

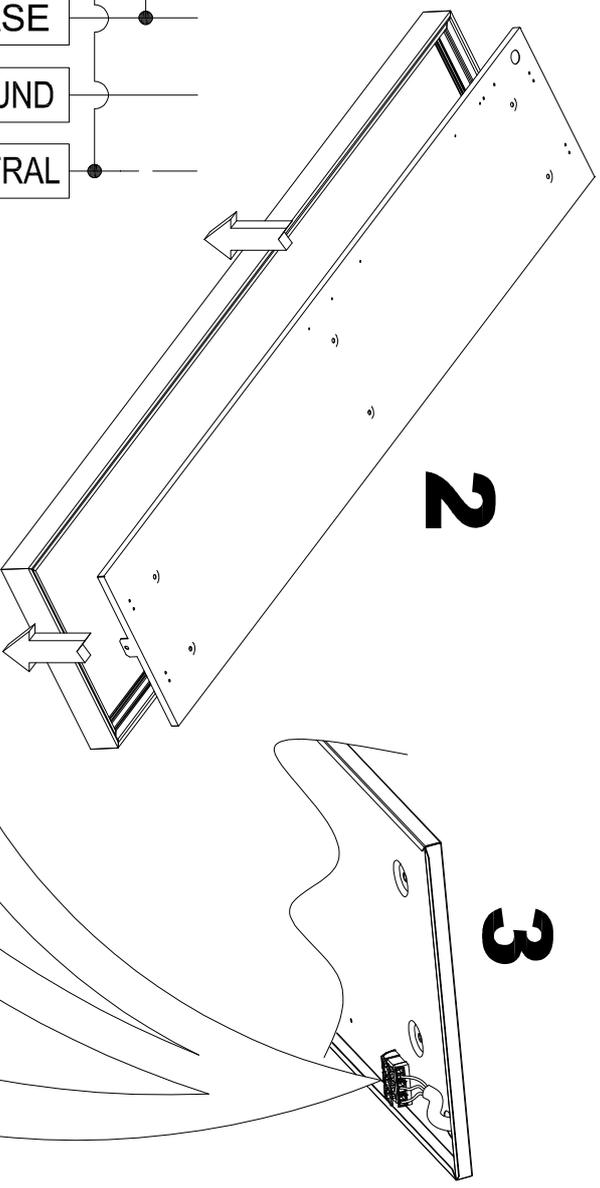

DALI®
cod. DL

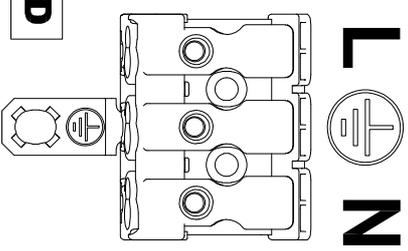

MOUNTING INSTRUCTION

Prior to intervening on the fixture, ensure that the main switch is disengaged.

Proceed as follows to wire and assemble the fixture:

PUSH DIM
cod. PD

STANDARD
CAE

ATTENZIONE: qualsiasi tentativo di intervento sui LED, non autorizzato dal fabbricante, comporta la decadenza immediata della garanzia. Pertanto, in caso di disservizio dell'apparecchio occorre fare una segnalazione al fabbricante per la riparazione o sostituzione.

PLEASE NOTE: any attempt to intervene on the LEDs not authorised by the manufacturer shall immediately void the warranty. Therefore, in case of malfunction, contact the manufacturer for repairing or replacing the product.
